

Kick-off meeting schedule

Day 1 – Wednesday, September 17 –

- 13:00** **Welcome reception**
- 14:00** **Opening:** EUBURN programme & EUBURN-RISK project.
Cyrielle Denjean, CNRM
- 14:50** **WP1.1 – Local scale:** Civil security observation platforms.
Ronan Paugam, UPC
- 15:05** **WP1.2 – Regional scale:** Transnational mobile ground-based observation platforms. *Maria João Costa, EVORA*
- 15:20** **WP1.3 – Territorial scale:** Transnational surface and atmospheric monitoring networks. *Agnès Borbon, OPGC*
- 15:35** **WP2.1 –** Integrated modelling of wildfire spread.
Patrick Le Moigne, CNRM
- 15:50** **WP2.2 –** Emission, transport and transformation of wildfire-induced smoke. *Rui Salgado, EVORA*
- 16.05** **WP2.3 –** Impacts of wildfire-induced smoke at territorial-scale
Sophie Pelletier, CNRM
- 16:20** **Coffee break**
- 16:40** **Parallel Sessions: Working groups III and VI**
- 17:50** **Laboratory visit**

Day 2 – Thursday, September 18 –

- 08:30** **Welcome reception**
- 09:00** **Communication strategy & administrative management procedures**
Sébastien Barrau, Feriel Rekhroukh, CNRM
- 09:45** **Parallel Sessions: Working groups I and V**
- 11:00** **Coffee break**
- 11:15** **Parallel Sessions: Working groups II, IV and VII**
- 12:30** **Summary group discussions & closing session**
- 13:00** **Lunch by Newrest**

Working Groups:

- I Civil security platforms**
- II Mobile platforms (ground, balloon, radiosounding, aircraft)**
- III Surface and atmospheric monitoring networks**
- IV Emission models and coupled fire-atmosphere models**
- V Regional chemistry-transport and climate models**
- VI Satellite activities**
- VII Administration**
